# Keyes of the Week

**"Peak of the Week is Coming!"**

Beginning **Wednesday, March 3**, things will change a bit on our Wed. night schedules. We will begin the supper at 6 p.m., with the hope to have all finished eating their meal by 6:30.

At 6:45, all present will gather in the auditorium for a brief 10-12 minute period of worship, in which I'll have a very short, focused, positive message with the hope of making Wednesdays more of a highlight of our week, and with the real goal of getting some folks who don't know us and have never experienced our church family to come and join us. Our regular classes, Men's & Ladies' in the AC and the Auditorium classes, as well as all the kids' classes, will begin at 7pm after a brief transition period following the devo. They can end at 7:30 if the teacher wishes, or go to 7:45. Much more will be said on all this in coming weeks. Start thinking who you can invite to join us!

Another note about something new that starts **this Wednesday**. We are the new location for all voting in Salado, both early and on election day. Early voting will be held in the library/adult 2 room in the AC. For a couple of weeks, the ladies will be using the LIFT classroom for their class during early voting. Just another way we can serve our community, and maybe have some folks in our facility who would normally never enter them. To God be the Glory!

—Joe Keyes
